| <b>Section II. Instructions To Bidders (IB)</b>                          |                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| IB 6.4 and 6.5<br>(Eligible Bidders – Single Largest Completed Contract) | <p>On 10 October 2025, the NEA RPH SBAC, through its Secretariat, received (via email) a Letter from a prospective bidder seeking clarification on the Single Largest Completed Contract (SLCC) Requirement.</p> <p>In the <i>Letter</i>, the bidder enumerated fifteen (15) completed transactions from the years 2021 to 2025. The bidder then inquires if the same "[c]an suffice to join the bid?"</p> | <p>IB 6 enumerates the eligibility criteria which prospective bidders must comply with in order to be considered eligible in the subject procurement.</p> <p>More specifically, <b>IB 6.4 and 6.5</b> provides for the SLCC Requirement.</p> <p>Under IB 6.4, a bidder must have competed an SLCC which is <b>similar</b> to the Project subject of the bidding. Further, the offered SLCC: (i) must be equivalent to 25% of the Total Approved Budget of the Contract (<i>i.e.</i>, 25% of PHP 322,512,000.00 or PHP 80,628,000.00); and (ii) should have been completed within Five (5) years prior to the deadline for the submission and receipt of bids.</p> <p>IB 6.5 further defines a "similar" contract as contracts for the "<b>consignment, supply and delivery of</b>" or for "<b>supply and delivery of</b>" Distribution Transformers within the Philippines.</p> <p>Further, the SLCC should refer to <b>one</b> or a <b>single</b> contract which possesses all of the above-mentioned characteristics.</p> <p>Therefore, an aggregation or consolidation of several completed contracts is <b>not</b></p> |

|  |  |                                                           |
|--|--|-----------------------------------------------------------|
|  |  | allowed or does not suffice to meet the SLCC requirement. |
|--|--|-----------------------------------------------------------|

Issued this 14<sup>th</sup> day of October 2025 for the guidance and information of all concerned.
